(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner initiated an interview to discuss claims 1, 3, and 20 for clarification of the claim language. Applicant proposed amended claim language to clarify the invention and to overcome the cited prior art. However, in view of the newly discovered reference to Sampson et al. the examiner indicated that a non-final office action would be mailed..
